

CloudSync Solutions Ltd. — Enterprise Proposal

Prepared for: Acme Holdings PLC
Account manager: procurement@vendor-example.com
Direct line: +44 20 7946 0958

Thank you for considering CloudSync as a strategic infrastructure partner. This proposal outlines the scope, deliverables, and commercial terms for a twelve-month engagement covering managed object storage, regional CDN egress, and 24/7 SLA-backed support.

Pricing is structured as a flat platform fee with metered overages. The platform fee is invoiced quarterly in advance; overages are reconciled at month end. Payment terms are NET-30 from invoice date.

Settlement details for the platform fee: please remit to our primary corporate account, IBAN GB29NWBK60161331926819, referenced with the contract number provided at signing. Any deviation from the agreed remittance instructions must be confirmed in writing by both parties' authorised signatories.

We propose a kick-off workshop within ten business days of signature, after which the dedicated engineering team will be assigned and a joint runbook will be drafted. Termination for convenience is available after the first six months with sixty days' notice.

We look forward to a long and productive partnership.
Sincerely,
Marcus Wellington
VP Commercial, CloudSync Solutions Ltd.
